Earned a 3.31 GPA and completed relevant coursework in web development, database management, and Blockchain Technology and Bussines.

SMA Negeri 1 Seberida

2019 - 2022

Earned a 82.09 GPA and completed relevant coursework in web development, database management, and Blockchain Technology and Bussines.

VOLUNTEER EXPERIENCE

PAUD Teacher, Teach For Indonesia | Februari 2024 – April 2024

I have volunteered as a teacher at Cendana Early Childhood Education (PAUD), where I have contributed to the development and education of young children. This experience has allowed me to foster a supportive learning environment, engaging students in interactive and creative activities that promote their growth and development.

Sosialisasi, Teach For Indonesia | April 2023 – Juli 2023

I have actively engaged in outreach programs focused on anti-drug awareness, promoting religious tolerance among students, and sharing national insights in both schools and orphanages.

SKILLS

Proficient in programming languages including C++, Python, HTML, JavaScript, and Java. I possess experience with tools such as Figma, Visual Studio Code, XAMPP, Eclipse, and Google Colab. Additionally, I am skilled in Microsoft Word and Microsoft Excel, and I have experience with SQL, specifically MySQL.
